This letter of request pertains to the deadline for filing claims on the Camp

RECEIVED

UNITED STATES BANKRUPTCY COURT
SAN FRANCISCO, CA

On the other letters I submitted Declaring other entities possible liable for Wildfires
2017-2018, and my last letter on Conservation Contribution by P.G.E.

Presently, the fire victims, majority, are not prepared to file their complete claims,
For the Attorneys have not given full disclosure to us victims. WE do not know how to fill
Our full information pertaining to Personal Injuries for the fact we don't have full reports
On the toxicity of soil and air by the fires and smoke as to our acute and chronic condition
For future health on our Unhealthy- Sensitive Groups-Children-seniors". The majority of
The Attorneys on the case are not very informative on these matters. I personally experience
And witness in my town meetings with the Attorneys.

I'm speaking on behalf on my Daughter, myself, granddaughter and other victims, for extension
Beyond the October 21th, 2019, last date of filling our claim. MY QUESTION BEFORE THIS COURT,
CAN WE VICTIMS FILL ADDITIONAL PERSONALLY CLAIMS AFTER THE DEADLINE? Some attorneys
Representing on this case gave us, YES, and others commented NO.

I'm asking the \$240 Million partially, set aside for town of Paradise, to fire victims, restore the
landscape, ecology and the forest by the overcutting of our trees, loss of our affordable housing.
